Independent Auditor's Report To the Shareholders of Shahjibazar Power Company Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Shahjibazar Power Company Limited ("The Company") which comprise the statement of financial position as at 30 June 2017, statement of Profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information and all related consolidated financial statements of Shahjibazar Power Company Limited including its subsidiary and associate (together referred to as "the Group").

Management's Responsibility for the Financial Statements

Management of Shahjibazar Power Company Limited is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Financial Reporting Standards (BFRS), the Companies Act 1994, the Bangladesh Securities and Exchange Rules 1987 and other applicable laws and regulations, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud and error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable, but not absolute assurance whether the financial statements are free from material misstatement due to fraud and error.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements including the consolidated financial statements give a true and fair view of the financial position as at 30 June 2017, and of the financial performance and cash flows for the year then ended prepared in accordance with Bangladesh Financial Reporting Standards (BFRS).

Other Matter

The financial statements of the Company's subsidiary, Petromax Refinery Limited (PRL), was not audited by us. The financial statements of Petromax Refinery Limited shows total assets of Taka 5,804,612,488 as on 30 June 2017 and total revenue of Taka 7,328,382,889 for the year then ended. Aziz Halim Khair Choudhury & Co., Chartered Accountants has audited the Financial Statements of Petromax Refinery Limited and expressed an unmodified opinion. Our opinion, in so far as it relates to the amounts included in respect of the company's subsidiary, is based on the audited financial statements and reports issued by subsidiary's auditor.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Bangladesh Securities and Exchange Rules 1987, we also report the following:

a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;

b) In our opinion, proper books of accounts as required by law have been kept by the company so far as it appeared from our examination of these books;

c) The Company's statement of financial position and statement of profit & loss and other comprehensive income dealt with by the report are in agreement with the books of account; and

d) The expenditure incurred was for the purposes of the company's business.

1.4. Description of Associate

Midland Power Co. Ltd. (hereinafter referred to as "the Company") was incorporated on 27 November 2011 as a private company limited by shares under the Companies Act, 1994. The registered office of the Company is located in Dhaka and the plant is located at Ashuganj, Brahmanbaria.

The principal activity of the Company is to set up 51 MW Gas Fired Power Generating Plant for the generation and supply of electricity. An agreement has been signed for supply of electricity with Bangladesh Power Development Board (BPDB) on 11 April 2012 for a period of 15 years with a provision of further renewal. The Company has started its commercial operation on 7 December 2013.

2. Basis of Preparation:

2.1. Statement of Compliance

The financial statements of Shahjibazar Power Company Limited have been prepared in accordance with the Bangladesh Accounting Standards (BAS), Bangladesh Financial Reporting Standards (BFRS), the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations.

2.2. Application of Standards

The following BASs and BFRSs are applicable for the financial statement for the year under review:

BAS 1	Presentation of Financial Statements
BAS 2	Inventories
BAS 7	Statement of Cash Flows
BAS 8	Accounting Policies, Changes in Accounting Estimates and Errors
BAS 10	Events after the Reporting Period
BAS 12	Income Taxes
BAS 16	Property, Plant and Equipment
BAS 18	Revenue
BAS 19	Employee Benefits
BAS 21	The Effects of Changes in Foreign Exchange Rates
BAS 23	Borrowing Costs
BAS 24	Related Party Disclosures
BAS 32	Financial Instrument: Presentation
BAS 33	Earnings per Share
BAS 36	Impairment of Assets
BAS 37	Provisions, Contingent Liabilities and Contingent Assets
BAS 38	Intangible Assets
BAS 39	Financial Instrument: Recognition and measurement
BFRS 7	Financial Instruments: Disclosures
BFRS 8	Operating Segments
BFRS 10	Consolidated Financial Statements
BFRS 12	Disclosure of Interests in other Entities
BFRS 13	Fair Value Measurement

2.3. Date of authorization

The consolidated financial statements as well as separate financial statements were authorized by the Board of Directors on 28 October 2017 for publication.

2.4. Measurement bases used in Preparing the Financial Statements

The elements of financial statements have been measured on "Historical Cost" basis, which is one of the most commonly adopted base provided in "the framework for the preparation and presentation of financial statements" issued by the International Accounting Standard Committee (IASC).

2.5. Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from estimates.

2.6. Accounting Convention and Basis

These Financial Statements have been prepared under the Historical Cost Convention and Going Concern basis in accordance with applicable International Accounting Standards in Bangladesh which does not vary from the requirements of the Companies Act 1994, and other laws and rules applicable in Bangladesh.

2.7. Functional and presentational currency and level of precision

The financial statements are prepared and presented in Bangladesh Currency (Taka), which is the company's functional currency. All financial information presented has been rounded off to the nearest Taka except where indicated otherwise.

2.8. Reporting period

The financial period of the company covers one year from 1 July to 30 June and followed consistently.

2.9. Components of the Financial Statements

According to the International Accounting Standard (IAS) 1 as adopted by ICAB as BAS 1 "Presentation of Financial Statements" the complete set of financial statements includes the following components:

i) Statement of Financial Position
ii) Statement of Comprehensive Income
iii) Statement of Changes in Equity
iv) Statement of Cash Flows
v) Notes to the Financial Statements

3. Principal Accounting Policies:

The accounting policies set out below have been applied in preparations of these financial statements

3.1. Basis of consolidation

3.1.1. Subsidiary

Subsidiaries are entities controlled by Shahjibazar Power Co. Ltd. Control exists when Shahjibazar Power Co. Ltd. Shahjibazar Power Co. Ltd. has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In assessing control, potential voting rights that presently are exercisable are taken into account. The

an independent member of
BAKER TILLY
INTERNATIONAL

financial statements of subsidiaries have been included in the consolidated financial statements from the date that control commences until the date that it ceases. The accounting policies of subsidiaries have been changed when necessary to align them with the policies adopted by Shahjibazar Power Co. Ltd.

Intra-group balances and transactions and any unrealized income and expenses arising from intra-group transactions are eliminated in preparing the consolidated financial statements. Unrealized gains arising from transactions with associates are eliminated against the investment to the extent of Shahjibazar Power Co. Ltd. interest in the investee. Unrealized losses, if any, are eliminated in the same way as unrealized gains but only to the extent that there is no evidence of impairment.

3.2. Property, Plant and Equipment

3.2.1. Recognition and Measurement

Items of Property, Plant and Equipment (PPE) are initially measured at cost. After initial recognition, an item of PPE is carried at cost less accumulated depreciation and impairment losses in compliance with the requirements of BAS-16: Property, Plant and Equipment.

3.2.2. Disposal of Fixed Assets

On disposal of fixed assets, the cost and accumulated depreciation are eliminated and gain or loss on such disposal is reflected in the income statement, which is determined with reference to the net book value of the assets and net sales proceeds.

3.2.3. Depreciation on Fixed Assets

Depreciation is recognized in the profit and loss account on a straight line basis over the estimated useful life of property, plant and equipment in accordance with the provisions of BAS 16: Property, Plant and Equipment.

Plant and machinery are depreciated from the month on which the asset comes into use or being capitalized. Other items of property, plant and equipment continue to be depreciated for a full year of capitalization respective of the date on which the asset comes into use or being capitalized.

Land is not depreciated. Depreciation on other assets is calculated using straight line method to allocate their cost or revalued amounts to their residual values over their estimated lives, as follows:

Building and Construction	5 to 10 %
Plant and Machinery	6 to 15%
Water Treatment Plant	15%
Mechanical & Electrical Equipment	10%
Computer & Computer Equip.	20%
Motor Vehicles	20%
Office Equipment	15%
Furniture and Fixture	10%

3.2.4. Subsequent Costs

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits

embodied within the part will flow to the company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognized in the profit and loss account as incurred.

3.2.5. Capitalization of Borrowing Cost

Borrowing cost relating to acquisition of fixed assets is capitalized as per Bangladesh Accounting Standard (BAS) - 23, borrowing costs at the weighted average cost of borrowings. However, capitalization of borrowing costs is ceased when acquisition of relevant asset is completed.

3.2.6. Impairment of Assets

Impairment of assets are carried out if carrying value is less than the value of using the asset or net realizable value of the assets whichever is lower.

3.3. Intangibles Assets

Intangible Assets are measured at cost less accumulated amortization and recognized when all the condition as per BAS-38: Intangible Assets are met. Subsequent expenditure is capitalized only when it is probable that the future economic benefits embodied there with will flow to the entity and its cost can be measured reliably. Intangible assets are amortized at the rate of fifteen percent of cost per year.

3.4. Capital work in progress

Capital work-in-progress represents the cost incurred for acquisition and/or construction of items of property, plant and equipment that are not ready for use which is measured at cost.

3.5. Inventories

Inventories in hand as at 30th June, 2017 have been valued at lower of cost and net realizable value in accordance with BAS -2 "Inventories" after making due allowance for any obsolete or slow moving items.

3.6. Accounts Receivables

Accounts Receivables are considering good and realizable. Accounts Receivables are stated at the original invoice value.

3.7. Advance, Deposits and Prepayments

Advances are initially measured at cost. After initial recognition advances are carried at cost less deductions, adjustments or charges to other account heads such as PPE or inventory etc. Deposits are measured at payment value. Prepayments are initially measured at cost. After initial recognition prepayments are carried at cost less charges to profit and loss account.

3.8. Investment in shares of listed companies

Investment in shares of listed companies is classified as financial assets fair value through profit or loss as it is designated as such upon initial recognition. Financial assets fair value through profit or loss are measured at fair value, and changes therein are recognized in comprehensive income.

3.9. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand and with banks on current and deposit accounts which are held and available for use by the company without any restriction.

3.10. Other Current Assets

Other current assets have a value on realization in the ordinary course of the company's business which is at least equal to the amount at which they are stated in the balance sheet.

3.11. Other Corporate Debt, Accounts Payable, Trade and Other Liabilities

Liabilities are carried at the anticipated settlement amount in respect of goods and services received, whether or not billed by the supplier.

3.12. Taxation

Income Tax expense comprises current and deferred Tax. Income Tax expense is recognized in the statement of Profit or Loss and Other Comprehensive Income except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

Current Tax

Current Tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting period. The applicable tax rate for the Company is currently 25%.

Deferred Tax

Deferred income Tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Currently enacted tax rates are used in the determination of Deferred Income Tax. Deferred Tax liabilities are recognised for all temporary taxable differences.

Deferred Tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

3.13. Provisions

A provision is recognized on the balance sheet date if, as a result of past events, the company has a presents legal or constructive obligation that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation.

3.14. Revenue Recognition

Invoice are made by survey of meter reading in every month and recognized in the income statement after satisfying all the condition for revenue recognition as provided in BAS 18 "Revenue".

3.15. Foreign Currency

Foreign currencies are converted into Bangladesh Taka at the rates ruling on the date of transaction and the balance at bank at the close of the business, at the rate prevailing on the Balance Sheet date in accordance with BAS 21 "The effects of Changes in Foreign Currency Rates."

3.16. Finance Income and Expenses

Finance income comprises interest income on funds invested. Interest income is recognized on accrual basis.

Finance expenses comprise interest expenses on loan, overdraft and bank charges. All borrowing costs are recognized in the profit and loss account using effective interest method except to the extent that they are capitalized during constructions period of the plants in accordance with BAS-23 Borrowing cost.

3.17. Earnings Per Share (EPS)

The Company calculates Earning per Share (EPS) in accordance with BAS 33: Earning per Share, which has been shown on the face of Statement of Comprehensive Income account, and the computation of EPS is stated in **Note 35 & 35a**

Basic earnings

This represents earnings for the year attributable to ordinary shareholders. As there was no preference dividend, minority or extra ordinary items, the net profit after tax for the year has been considered as fully attributable to the ordinary shareholders.

Basic earnings per share

This has been calculated by dividing the basic earnings by the weighted average number of ordinary shares outstanding for the year.

Weighted average number of ordinary shares outstanding during the year

This represents the number of ordinary shares outstanding at the beginning of the year plus the number of shares issued during the year multiplied by a time-weighting factor. The time weighting factor is the numbers of days the specific shares are outstanding as a proportion of the total number of days in the year.

Diluted earnings per share

No diluted earnings per share are required to be calculated per year as there was no scope for dilution during the year.

3.18. Cash flows statement

Cash Flow Statement is prepared in accordance with BAS 7 "Cash Flow Statement". The cash flow from the operating activities have been presented under Direct Method as prescribed by the Securities and Exchange Rules 1987 and considering the provisions of Paragraph 18(b) of BAS-7 which provides that "Enterprises are encouraged to report Cash Flow from Operating Activities using the Direct Method".

3.19. Workers Profit Participation Fund (WPPF)

The company has been providing worker profit participation fund for its employees in accordance with provisions of Bangladesh Labor Act 2006. Section-232(1)

3.20. Responsibility for Preparation and Presentation of Financial Statements:

The Management is responsible for the preparation and presentation of Financial Statements under section 183 of the Companies Act, 1994 and as per the Provision of "The Framework for the preparation and presentation of Financial Statements" issued by the

an independent member of
BAKER TILLY
INTERNATIONAL

International Accounting Standard Board (IASB) as adopted by the Institute of The Chartered Accountants of Bangladesh (ICAB).

3.21. Risk and uncertainties for the use of estimates

Preparation of Financial Statements in conformity with the Bangladesh Accounting Standards requires management to make estimates and assumption that effect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statement and revenues and expenses during the period reported. Actual result could differ from those estimates. Estimates are used for accounting of certain items such as depreciation and amortization, taxes, reserves and contingencies.

3.22. Related Party Transactions

During the year the Company carried out a number of transactions with related parties in the normal course of business and on an arm's length basis. The name of related parties, nature of transactions, their total value and closing balance have been set out in accordance with the provisions of BAS 24.

3.23. Comparative Amounts

Comparative period figures have been rearranged to ensure consistency with current year's figures in order to better comparison and presentation;

3.24. Segment Reporting

Shahjibazar Power Company Limited generate revenue from only power generation. There no other segment of revenue producing and in this consequence no segment reporting is required.

3.25. Measurement of Fair Values

The Company has an established control framework with respect to the measurement of fair values. Management has the overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

Management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the valuation team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of BFRS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses market observable data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability might be categorized in different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Annexure-C

Financial risk management

The management has overall responsibility for the establishment and oversight of the company`s risk management framework.The company has exposure to the following risks from its use of financial instruments.

- Credit risk
- Liquidity risk
- Market risk

Credit risk

Credit risk is the risk of a financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. It mainly comprises of accounts/trade receivables, advances to suppliers and trade deposits . The Company's maximum exposure to credit risk at the reporting date is accounts receivables which is also secured by agreement with Bangladesh Power Development Board (BPDB) and Bangladesh Petroleum Corporation (BPC).

a) Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	2017	2016
	Taka	Taka
Accounts receivable	908,417,838	1,083,691,281
Advance, Deposit & Prepayments	331,559,958	919,488,307
Other Receivable	1,485,765	2,212,221
	1,241,463,560	**2,005,391,809**

b) Ageing of receivables

Accounts receivable were aged as below:

Less than six months	817,576,054	837,691,637
More than six months	90,841,784	245,999,644
	908,417,838	1,083,691,281

c) Impairment losses

The accounts receivables are secured by agreement with Bangladesh Power Development Board (BPDB) and Bangladesh Petroleum Corporation (BPC). According to the company, recognition of any impairment losses were not necessary as they were fully collectible. Subsequent to year end the collectibles were realised duly.

Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The Company`s approach to managing liquidity (cash and cash equivalents) is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company`s reputation.

The contractual maturities of financial liabilities of the Group are as follows:

1. Company Introduction

Petromax Refinery Ltd (PRL) erstwhile Mongla Oil Mills registered under Company Act 1994 Registration No- C – 58744 is a fractionation facility of Hydrocarbon to refine and produce different grades of gasoline. The Plant is situated at the embankment of Poshur River Mongla Industrial Area, Khulna. The facility consists of Condensate Fractionation Unit (CFU), Naphtha Hydro Treating Unit (NHTU) and a Catalytic Reforming Unit (CRU). The only customer of the company is Bangladesh Petroleum Corporation (BPC).

Partnering with some world class energy companies, Petromax has sourced and installed state of the art refining equipment and equipped the project as one of the first of its kind in the Country. In the Petrochemical Industry of Bangladesh PRL is the first company to achieve the quality credentials from Bangladesh Accreditation Board (BAB).

Experiencing several hurdles at the commissioning phase, the Company has been in successful operation since October, 2013.

2. Directors Report to Shareholders

Respected Shareholders,

On behalf of the Board of Directors of Petromax Refinery Ltd (PRL) I would like to extend my warm greetings and welcome you all to 12th Annual General Meeting of the Company. Being authorized by the Board of Directors, I am hereby submitting the Audited Financial Statements for the year then ended June 30, 2017.

This Directors' Report is prepared in compliance with Section 184 of the Companies Act 1994.

2.1 Economy at a Glance

Over the last almost one decade the Economy of Bangladesh has been showing a consistent growth of over six percent in terms of GDP. According to several sources, the Economy is going to register a GDP of whooping 7.15% for the period of 2016-17 which is an all-time record.

Foreign Exchange Reserve has reached a record USD 32.91 Billion and GDP Per capita has reached at USD 1029.60 showcasing unprecedented growth.

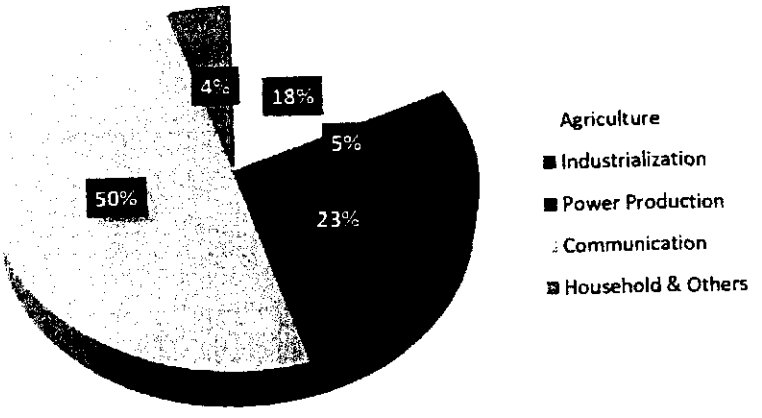

2.2 Petrochemical Sector Scenario of Bangladesh

Business of Petrochemical sector has been lone prerogative of Government of Bangladesh since the inception of the Country. Bangladesh Petroleum Corporation (BPC) a statutory corporation under an ordinance effective from the year 1977 has been given with the only right of Petroleum Import, Collection, Production and Distribution. Government is realizing the matter that, sustainable development can only be possible by ensuring participation of both private and public sector.

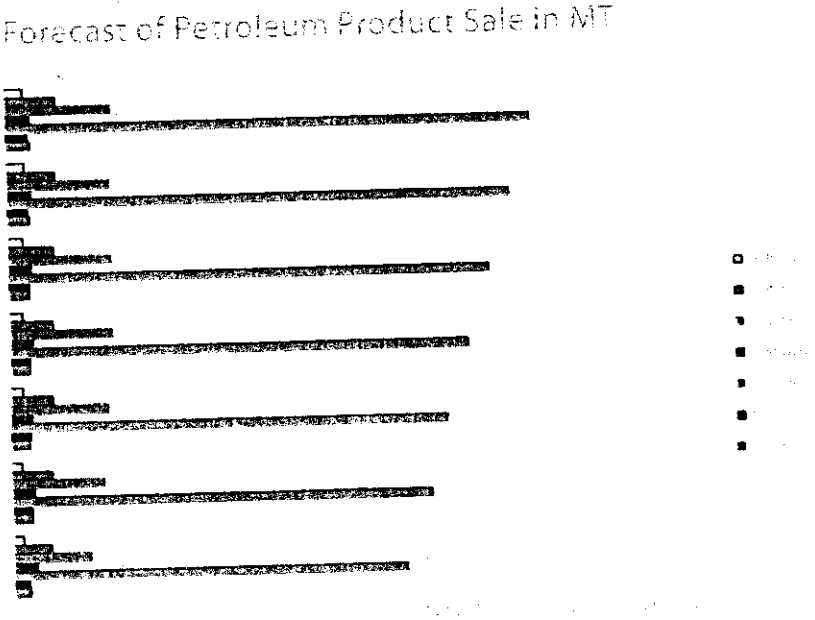

Energy is the driving force of economic development. Each dollar investment in energy will return in manifolds to all branches of economy which includes Agriculture, Industrialization, Power Production, Communication, Households and so forth.

For the period of 2015-16 total consumption of petroleum product was 52.56 Lac MT out of which more than 72% was consumed by communication and power production sector.

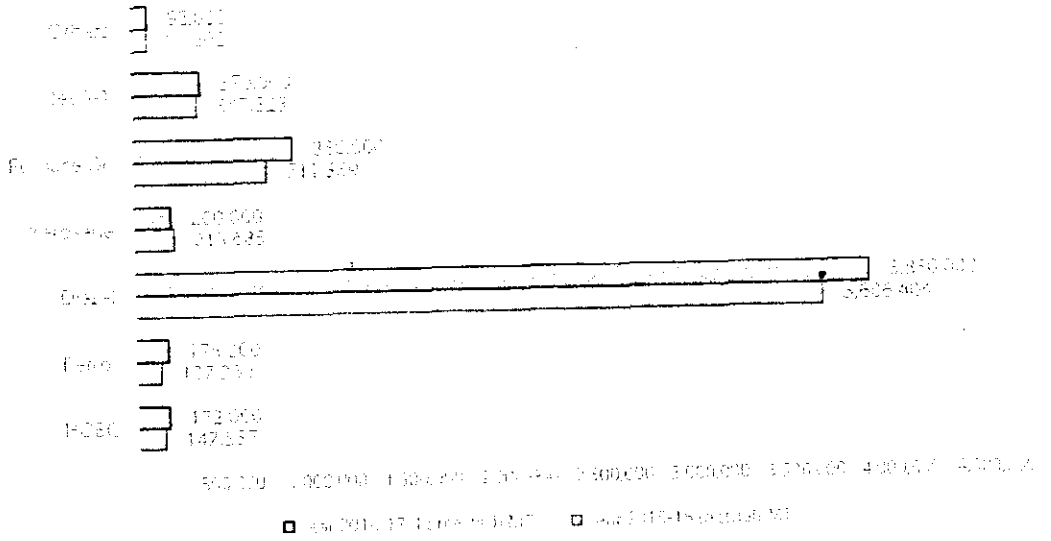

Sector wise use of Fuel Oil 2015-16

Around 47.66 Lac MT refined oil are imported from abroad and the rest 11.29 Lac MT are being refined within the country by BPC's subsidiary company Eastern Refinery Ltd (ERL) and other Private Fractionation Plants operating within the framework of BERC and MPEMR. The distribution channel is maintained by three state run oil companies PADMA, MEGHNA and JAMUNA through 23 Countrywide Depots. Around 90% of the total petroleum product are distributed through riverine channels using 220 Tanker vessels, rest 10% are being distributed through Railway and Road.

According to the estimates of Bangladesh Petroleum Corporation (BPC), till the year 2020-21 the total size of the market will be around 70.50 Lac MT.

Current oil consumption portfolio shows the dominant use of Diesel. Almost 68% of total oil consumption is covered by Diesel use most of which are imported from overseas market. Existing storage capacity for Petroleum product is somewhere between 11-12 Lac MT in aggregate of both floating and fixed storage capacity.

The sector enjoys subsidies from the Government for a long time. Recent fall of price in petroleum products throughout the world market, has reveal the opportunity for the state owned oil companies to recover huge accumulated loss by making some profit.

Major challenge of the industry remains with pilferages in different stages of refining, collection and distributing throughout the country. The limited storage capacity is also an issue for optimum use of distribution channels and more extension of Refining Capacity.

2.3 Business Activities Including Its Operating Performance

During the year under report, your company has managed to generate a revenue of Tk. 7328.38 Million as compared to Tk. 6483.19 Million in FY 2015-16 which is 13.04 % Higher. The only reason for such increase in revenue is the no price adjustment by the government during the period under report.

Particulars	FY 2016-17	FY 2015-16
Capacity (In liter Per day)	3,97,500	3,97,500

2.19 Auditors

Being eligible as per section 212 of Company Act 1994, the re-appointment of Aziz Halim Khair Chowdhury Chartered Accountants shall be presented at the 12th AGM for member's approval.

2.20 Business Risk & Uncertainties

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board oversees how management monitors compliance with risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to risks faced by the group. The Board is assisted in its oversight role by Audit Committee. Internal Audit, under the purview of Audit Committee, undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

Your company operates in a field of involving some internal/external risk factors and some of those are avertible; others are beyond control, which may be causes of loss. The management of Petromax Refinery Limited perceives the risk factors which are as follows simultaneously:

Private sector oil refinery businesses are very highly exposed to the risk of government policy change. As we all know, like other countries, energy security of the country is the sole jurisdiction of Ministry of

Power, Energy and Mineral Resources (MPEMR). During the year under report your company has to struggle for adjustment of price administered by regulatory authority.
Interest/financial charges are paid against any kind of borrowed fund. Volatility in money market and increased demand for loan process interest rate structure to be fixed at high. Raising of interest rate increases the cost of fund for a company, which has borrowed fund, consequently profit is squeezed.
The management of the company is always aware of interest rate, which is connected to the cost of fund of the Company the Management prefers procuring the long-term fund with minimum fixed interest rate and the short term fund with reasonable competitive rate. On the other hand management of the company is emphasizing equity based financing.
Technology always plays a vital role for existence of any industrial concern. Innovation of new and cost effective technology may obsolescence existent technology, which may cause negative impact. The project is equipped with world's modern and latest machineries and technology and to cope with the pace in harmony with modern power sector, the company is continuing modernization program of its machinery.
Apart from the above your company operates under companies act, taxation policy adopted by NBR, Security and Exchange Commission's rule and rules adopted by other regulatory organizations. Any abrupt changes of the policies formed by those bodies will impact the business of the Company adversely. Unless adverse policies are taken, which may materially affect the industry as a whole; the business of the company will not be effected.
Government emphasizes participation of private sector in energy business. A large amount of foreign currency reserve are spent for importing raw as well as refined oil. A well-organized policy of international standard is still lacking this sector. Sponsors are in process of convincing the authority to formulate a standard policy by infusing favorable terms for private sector investors.
The performance of the Company may be affected by the political and economic instability both in Bangladesh and Global Market. Any instance of political turmoil and disturbance in the country may adversely affect the power production of the company and can adversely impact the profitability of the company.

2.21 Going Concern

While approving the financial statements, the Directors have made appropriate enquires and analyzed significant operating and indicative financials which enabled them to understand the ability of the Company to continue its operations for a foreseeable future. The Directors are convinced and have a reasonable expectation that the company has adequate resources and legal instruments to continue its operations without interruptions. Therefore the Company adopted the going concern basis in preparing these financial statements.

2.22 Corporate Governance

Corporate Governance is the system through which companies are directed, guided and controlled by the Board while keeping in view its accountability to the shareholders. Your Company strives to maintain full compliance with the laws, rules and regulations that govern our business and to uphold the highest standards. Since corporate governance is not a static process, we will always continue to improve our practices.

2.23 Human Resource Management

Your company recognizes that people are the most important resource and key to success of any organization. To develop and equip the employees with key skills, the company places great emphasis on the development of its people and hence regular courses and workshops are arranged at regular interval for their training and updating knowledge on the respective functional areas.

2.24 Acknowledgement

Through the undersigned, the Board of Directors (BOD) would like to extend their sincerest thanks to the shareholders for their continuous support and trust upon the business of the Company.

The board would further like to extend their graceful appreciation for the assistance and co-operation received from Bangladesh Petroleum Corporation (BPC), PetroBangla, Rupantarita Prakritic Gas Compay Ltd (RPGCL), Registrar of Joint Stock Companies & Firms, and various government authorities, individual and agencies.

The Board of Directors would like to acknowledge the effort of its employees to the Business of the Company. Their commitment, passion and teamwork towards the dream of the Company has helped to stand the company where it is today.

Looking forward for a better future and sustainable growth.

For and On Behalf of the Board

EXCLUSIVE CORRESPONDENT FIRM OF PKF INTERNATIONAL

Independent Auditors' Report to the Shareholders of Petromax Refinery Limited

We have audited the accompanying financial statements of **Petromax Refinery Limited** which comprise the Statement of Financial Position as at 30 June 2017, Statement of Profit or Loss and other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended.

Management's responsibility for the financial statements

Management of the company is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Financial Reporting Standards (BFRS), the Companies Act 1994 and other applicable laws and regulations. This responsibility includes: designing, implementing and maintaining internal control relevant to preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in circumstances.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement due to fraud and error.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements of **Petromax Refinery Limited** prepared in accordance with Bangladesh Financial Reporting Standards (BFRS), give a true and fair view of the state of the company's affairs as at 30 June 2017 and of the results of its operations and cash flows for the year then ended and comply with the Companies Act 1994 and other applicable laws and regulations.

We also report that:

a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;

b) in our opinion, proper books of account as required by the law have been kept by the company so far as it appeared from our examination of those books;

c) the Company's Statement of Financial Position and Statement of Profit or Loss and other Comprehensive Income dealt with by the report are in agreement with the books of accounts and returns; and

d) the expenditure incurred was for the purposes of the company's business.

Notes to the Accounts

As at and for the year ended 30 June, 2017

SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATERIAL INFORMATION:

1. Status of the Reporting Entity

1.1. Legal form of the Company

Petromax Refinery Limited is a public Company limited by shares and registered under The Companies Act 1994. The Company was incorporated in Bangladesh on 14th May, 2009 vide registration no. C – 58744 and not listed with any Stock Exchange in Bangladesh. The Company went into commercial operation on October 25, 2013.

1.2. Registered office

The registered office of the company is located at 822/2 Rokeya Sarani, Dhaka – 1216 and the factory is located at 15, Mongla Port Industrial Area, Mongla, Bagerhat, Bangladesh.

1.3. Nature of business activities

The principal activity of this company is production and supply of petroleum products like liquid petroleum gas, special boiling point solvent, mineral turpentine, high speed diesel, octane, kerosene, and fuel gas to Bangladesh Petroleum Corporation.

The management of the company will continue its operational existence for the foreseeable future on the basis of improved profitability and continued support from its bankers, equipment vendors and other contractors and suppliers.

2. Basis of Preparation and Presentation of Financial Statements

2.1. Statement of Compliance

The financial statements have been prepared and the disclosures of information are made in accordance with the requirements of Bangladesh Accounting Standard (BAS) and Bangladesh Financial Reporting Standards (BFRS) as much as practicable. The statement of financial position and statement of comprehensive income have been prepared according to BAS 1 Presentation of Financial Statements on accrual basis of accounting and statement of cash flows is prepared according to "BAS 7 Statement of Cash Flows".

2.2. Other Regulatory Compliances

The company is also required to comply with the following major laws and regulation in addition to the Companies Act 1994:
The Income Tax Ordinance 1984
The Income Tax Rules 1984
The Value Added Tax Act 1991
The Value Added Tax Rules 1991
The Customs Act 1969
Bangladesh Labor Law 2006
Securities and Exchange Rules 1987
Other applicable regulations

2.3. Application of Standards

The following BASs and BFRSs are applicable for the financial statements for the year under review.

BAS 1	Presentation of Financial Statements
BAS 2	Inventories
BAS 7	Statement of Cash Flows
BAS 8	Accounting Policies, Changes in Accounting Estimates and Errors
BAS 10	Events after the Reporting Period
BAS 12	Income Taxes
BAS 16	Property, Plant and Equipment
BAS 18	Revenue
BAS 19	Employee Benefits
BAS 21	The Effects of Changes in Foreign Exchange Rates
BAS 23	Borrowing Costs
BAS 24	Related Party Disclosures
BAS 33	Earnings Per Share
BAS 37	Provisions, Contingent Liabilities and Contingent Assets
BAS 38	Intangible Assets

2.4. Going Concern Assumption

The company has adequate resources to continue its operation for the foreseeable future and the Directors are of the opinion that the Company is a going concern. Accordingly, Financial Statements are prepared on a going concern basis.

2.5. Measurement bases used in Preparing the Financial Statements

The elements of financial statements have been measured on "Historical Cost" convention except for those which is measured under revaluation model including land, financial instrument, biological assets etc. which is one of the most commonly adopted base provided in "the framework for the preparation and presentation of financial statements" adopted by The Institute of Chartered Accountants of Bangladesh (ICAB).

2.6. Materiality and Aggregation

Each material class of similar items is presented separately in the financial statements. Items of dissimilar nature or function are presented separately unless they are immaterial.

2.7. Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are reflected in measuring fair value of Land and Building, calculation of deferred tax liabilities and any other head as appropriate.

2.8. Comparative Information

Comparative information has been disclosed in respect of the year ended 30 June 2016 for all numerical information in the financial statements and also the narrative and descriptive information where it is relevant for understanding of the current year's financial statements. Certain figures for the year ended 30 June 2016 have been rearranged wherever considered necessary, to ensure better comparability with the current year's financial and to comply with relevant BAS.

2.9. Accounting Convention and Basis

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of land and buildings, available-for-sale financial assets, financial assets and financial liabilities (including derivative financial instruments at fair value through profit or loss) and certain biological assets. The financial statement also followed by Going Concern basis in accordance with applicable International Accounting Standards in Bangladesh which does not vary from the requirements of the Companies Act 1994, and other laws and rules applicable in Bangladesh.

2.10. Functional and presentational currency and level of precision

The financial statements are prepared and presented in Bangladeshi Currency (Taka), which is the company's functional currency. All financial information has been shown rounded off to the nearest Taka except where indicated otherwise.

2.11. Authorization for issue

The financial statements have been authorized by the Board of Directors on 17 October, 2017

2.12. Reporting period

The financial period of the company covers one year from 1 July to 30 June and followed consistently.

2.13. Components of the Financial Statements

According to the International Accounting Standard (IAS) 1 as adopted by ICAB as BAS 1 "Presentation of Financial Statements" the complete set of financial statements includes the following components:

i) Statement of Financial Position
ii) Statement of Profit or Loss and other Comprehensive Income
iii) Statement of Changes in Equity
iv) Statement of Cash Flows
v) Notes to the Financial Statements

3. Summary of Significant Accounting Policies

The accounting policies set out below have been applied in preparations of these financial statements.

3.1. Property, Plant and Equipment

3.1.1 Recognition and Measurement

Items of Property, Plant and Equipment (PPE) are initially measured at cost. After initial recognition, an item of PPE is carried at cost less accumulated depreciation and impairment losses in compliance with the requirements of BAS-16: Property, Plant and Equipment.

3.1.2 Subsequent Cost

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognized in the statement of comprehensive income as incurred.

3.1.3 Disposal of Non-Current Assets

On disposal of fixed assets, the cost and accumulated depreciation are eliminated and gain or loss on such disposal is reflected in the income statement, which is determined with reference to the net book value of the assets and net sales proceeds.

3.1.4 Depreciation on Non-Current Assets

Depreciation is recognized in the statement of comprehensive Income on a reducing Balance method in accordance with the provisions of BAS 16: Property, Plant and Equipment.
Depreciation is charged on PPE in the following quarter of the procurement because procured assets takes on an average 2 to 3 months for ready to use.

3.1.5 Borrowing Costs

In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized are also included in applicable borrowing cost considering the requirement of BAS-23: Borrowing Costs.

3.1.6 Impairment of Assets

The carrying amounts of the Company's non-financial assets, other than biological assets, investment property, inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. An impairment loss is recognized if the carrying amount of an asset) exceeds its recoverable amount. Impairment losses, if any, are recognized in the statement of profit or loss and other comprehensive income.

3.2. Intangible Assets

Intangible assets are measured at cost less accumulated amortization and recognized when all the conditions for recognition as per BAS-38: Intangible Assets are met. Subsequent expenditure is capitalized only when it is probable that the future economic benefits embodied there with will flow to the Company and its cost can be measured reliably. Intangible assets are amortized at the rate of fifteen percent of cost per year.

3.3. Inventories

Inventories are valued in accordance with BAS-2: Inventories i.e. at cost or estimated net realizable value whichever is lower. The cost of inventories includes expenditure for acquiring the inventories and bringing them to their existing location and condition. Net realizable value is estimated upon selling price in the ordinary course of business less estimated cost of completion and selling. When the inventories are used, the carrying amount of those inventories is recognized in the period in which the related revenue is recognized.

3.4. Trade Receivable (Book Debt)

Book debts are carried at original invoice amount less an estimate made for doubtful debts based on a review of all outstanding amounts at the period-end.

3.5. Advance, Deposits and Prepayments

Advances are initially measured at cost. After initial recognition advances are carried at cost less deductions, adjustments or charges to other account. Deposits are measured at payment value.

Prepayments are initially measured at cost. After initial recognition prepayments are carried at cost less charges to profit and loss account.

3.6. Foreign Exchange

Transactions in foreign currencies are translated at the average rate of the month. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated to Bangladeshi Taka at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognized in the income statement in accordance with BAS 21 "The effects of Changes in Foreign Currency Rates."

3.7. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand and with banks on current and deposit accounts which are held and available for use by the company without any restriction.

3.8. Other Current Assets

Other current assets have a value on realization in the ordinary course of the company's business which is at least equal to the amount at which they are stated in the balance sheet.

3.9. Other Corporate Debt, Accounts Payable, Trade and Other Liabilities

Liabilities are carried at the anticipated settlement amount in respect of goods and services received, whether or not billed by the supplier.

3.10. Taxation

3.10.1 Current Tax

No provision is required for current income tax on the company's operating profit because Petromax Refinery Limited has been enjoying tax holiday for 7 years from the date of October 25, 2013 to October 24, 2020 and the rate of tax holiday for the year are 70% and 55%. Moreover tax on remaining 30% and 45% of income had duly been calculated and adjusted with the Tax deducted at source. Again Tax on Non-operating income has been calculated properly and provision made accordingly.

3.10.2 Deferred Tax

As Petromax Refinery Limited has been enjoying Tax holiday for 7 years under income Tax Ordinance 1984 (XXXVI of 1984) section 46B, there is no effect regarding deferred taxation to increase or decrease the current tax liability.

3.11. Creditors and Accrued Expenses

3.11.1 Trade and Other Payables

Liabilities are recorded at the amount payable for settlement in respect of goods and services received by the Company.

3.11.2 Provisions

The preparation of financial statements in conformity with BAS-37:Provisions, Contingent Liabilities and Contingent Assets, requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses, assets and liabilities, and the disclosure requirements for contingent assets and liabilities during and at the date of the financial statements.

In accordance with the guidelines as prescribed by BAS-37, provisions were recognized in the following situations:

- When the Company has a present obligation as a result of past event;
- When it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- Reliable estimates can be made of the amount of the obligation.

We have shown the provisions in the statement of financial position at an appropriate level with regard to an adequate provision for risks and uncertainties. An amount recorded as a provision, represents the best estimate of the probable expenditure required to fulfill the current obligation on the date of statement of financial position.

Other provisions are valued in accordance with BAS 37 Provisions, Contingent Liabilities and Contingent Assets.

3.12. Contingent Liabilities and Assets

Contingent liabilities and assets are current or possible obligations or assets, arising from past events and whose existence is due to the occurrence or non-occurrence of one or more uncertain future events which are not within the control of the company. In accordance with BAS-37, provision, contingent liabilities and contingent assets those are disclosed in the notes to the financial statements.

3.13. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts receivable for goods supplied, stated net of discounts, returns and value added taxes. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity.

3.14. Cash flows statement

Cash Flow Statement is prepared in accordance with BAS 7 "Cash Flow Statement". The cash flow from the operating activities have been presented under Direct Method as prescribed by the Securities and Exchange Rules 1987 and considering the provisions of Paragraph 18(b) of BAS-7, which provides that "Enterprises are encouraged to report Cash Flow from Operating Activities using the Direct Method".

3.15. Responsibility for Preparation and Presentation of Financial Statements:

The Management is responsible for the preparation and presentation of Financial Statements under section 183 of the Companies Act, 1994 and as per the Provision of "The Framework for the preparation and presentation of Financial Statements" issued by the International Accounting Standard Board (IASB) as adopted by the Institute of The Chartered Accountants of Bangladesh (ICAB).

3.16. Risk and uncertainties for the use of estimates in preparing financial statements

Preparation of Financial Statements in conformity with the Bangladesh Accounting Standards requires management to make estimates and assumption that effect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statement and revenues and expenses during the period reported. Actual result could differ from those estimates. Estimates are used for accounting of certain items such as depreciation and amortization, taxes, reserves and contingencies.

3.17. Earnings Per Share (EPS)

The Company calculates Earning per Share (EPS) in accordance with BAS 33: Earning per Share, which has been shown on the face of Statement of Comprehensive Income account and computation of EPS is stated in related note.

3.17.1 Basic earnings

This represents earnings for the year attributable to ordinary shareholders. As there was no preference dividend, minority or extra ordinary items, the net profit after tax for the year has been considered as fully attributable to the ordinary shareholders.

3.17.2 Weighted average number of ordinary shares outstanding during the year

This represents the number of ordinary shares outstanding at the beginning of the year plus the number of shares issued during the year multiplied by a time-weighting factor. The time weighting factor is the numbers of days the specific shares are outstanding as a proportion of the total number of days in the year.

3.17.3 Basic earnings per share

This has been calculated by dividing the basic earnings by the weighted average number of ordinary shares outstanding for the year.

3.18. Workers Profit Participation Fund

The company has created Worker's Profit Participation Fund (WPPF) @ of 5% on Net Profit before Tax in accordance with Chapter XV of Labour Law 2006 as amended in 2013.

3.19. Related Party Transaction

During the year the Company carried out a number of transactions with related parties in the normal course of business and on an arm's length basis. The name of related parties, nature of transactions, their total value and closing balance have been set out in accordance with the provisions of BAS 24.

32 Financial risk management

The company has exposure to the following risks arising from financial instruments:

a) Credit risk
b) Market risk
c) Liquidity risk

a) Credit risk

Credit risk represents the financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. It mainly comprises of trade receivables, advances to suppliers, trade deposits and bank balances. The Company's maximum exposure to credit risk at the reporting date is trade receivable which is also secured by agreement with Bangladesh petroleum Corporation (BPC), the only one customer of the Company.

b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices such as foreign exchange rates, interest rates and other price risks. The objective of market risk management is to manage and control market risk exposures within an acceptable range:

i) Foreign currency risk

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchanges rates. The Company is exposed to currency risk on its purchases that is denominated in foreign currencies. Majority of the Company's foreign currency transactions are denominated in USD. The Company also has exposure in foreign currencies relating to some services.

ii) Interest rate risk

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk on its long term foreign currency debts with the lender.

Interest bearing financial instruments of the Company at reporting date are as follows:

Financial Liabilities	**30-Jun-17**	**30-Jun-16**
Term loan	163,226,929	507,121,662
Short term loan	2,807,669,943	2,405,650,815
	2,970,896,872	**2,912,772,477**

Including the current portion of long term loan.

c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company maintains sufficient resources and arrangement of credit lines with the various banks for managing its liquidity risk.

33. Related Party Transactions
